[Ex. 6 - Personal Privacy]

This looks correct with one exception. [Ex. 7(c)] will return to Rome with the Administrator so she will need a return train ticket. She will not depart from Bologna to the U.S.

Thanks, Mark

Mark/Anna,

Please look over attachment and send any correction and updates as needed, so we know exactly who is where and when. We normally use the eCC as the official document for locations and departures, but some of them do not match what the list has. What you send back is what we will consider as final and make arrangements from there to be sure.

Thank you for making sure that these match up so I can buy train tickets tomorrow. (Amending the eCCs is necessary before arrival as well, but not as urgent as making sure who will be coming back by train to Rome.)
